

Index of Port Stanley Reports

June 29, 2010

Harbour (Dredging, Contaminated Sites, etc.)

1. **Environmental Audit/Baseline Study of Port Stanley Harbour**
Commissioned by: Public Works & Government Services Canada (Dillon Consulting Engineers, 1995)
2. **Environmental Audit/Baseline Study of Port Stanley Harbour**
Commissioned by: Public Works & Government Services Canada (AMEC, 2004)
3. **Final Report for Sediment Sampling at Port Stanley Inner Harbour, Port Stanley, Ontario** Commissioned by: Public Works & Government Services Canada (CH2MHILL, 2006)
4. **Final Report for West Pier Investigation in Port Stanley, Ontario**
Commissioned by: Public Works & Government Services Canada (CH2MHILL, 2006)
5. **Former P.U.C. Facility & Coal Pile Investigation Sediment Sampling at Port Stanley Harbour, Port Stanley, Ontario – Final Report** Commissioned by: Public Works & Government Services Canada (CH2MHILL, 2006)
6. **Port Stanley Harbour Remedial Action Plan – Final Report**
Commissioned by: Public Works & Government Services Canada (CH2MHILL, 2006)
7. **Routine Detailed Inspection Port Stanley Harbour** Commissioned by: Public Works & Government Services Canada (Riggs Engineering, 2007)
8. **Maintenance Dredging Disposal Operations** Commissioned by: Public Works & Government Services Canada (Riggs Engineering, 2008)
9. **Harbour Sounding Survey** Commissioned by: Public Works & Government Services Canada (Riggs Engineering, 2008)
10. **Phase I Environmental Site Assessment Update, Port Stanley Harbour, Final Report** Commissioned by: Public Works & Government Services Canada (CH2MHILL, March 2009)
11. **Phase II Environmental Site Assessment Update, Port Stanley Harbour, Final Report** Commissioned by: Public Works & Government Services Canada (CH2MHILL, March 2009)
12. **Risk Assessment Presubmission Form Port Stanley Harbour, Port Stanley, ON** Commissioned by: Transport Canada (CH2MHill July 2009)

Kettle Creek Coal Tar / Sediment Assessments

13. **PAH Sediment Contamination in Kettle Creek, Port Stanley**
Commissioned by: MOE (Canviro 1988)
14. **Effect of PAHs on the Benthic Invertebrate Fauna of Kettle Creek**
Commissioned by: MOE (Aquatic Ecostudies Ltd. 1988).
15. **Sampling Program in the George Street Drain Area, Final Report**
Commissioned by: MOE (CH2M Gore & Storrie Ltd. 1996)
16. **Follow-up study of PAH's in Kettle Creek near the George Street Drain** Commissioned by: MOE (MOEE 1996)
17. **KCCA - Kettle Creek Sediment Sampling, Port Stanley, Ontario – Final Report** Commissioned by: Kettle Creek Conservation Authority (Acres & Associated, 2001)
18. **Proposed Dredging of Kettle Creek Marina and Port Stanley Sailing Squadron** Commissioned by: Kettle Creek Marina and Port Stanley Sailing Squadron (Huber Environmental Consultants, 2006)
19. **Effects of Polycyclic Aromatic Hydrocarbons (PAHs) on the Aquatic Macroinvertebrate Life of Kettle Creek and Delineation of PAHs in the Sediments of Kettle Creek at Port Stanley, Ontario, in 2009** Produced by MOE Southwestern Region staff (Dr. Ronald Griffiths, Ryan Smith)

General Sediment Surveys

20. **Great Lakes Embayments and Harbours Investigation Program: The Lake Erie Harbours Synoptic Surveys** Commissioned by: MOE (Tarandus Assoc. Ltd., 1992)
21. **Great Lakes Nearshore Monitoring and Assessment: Lake Erie – Central and Western Basins Studies** Commissioned by: MOE (MOE Environmental Monitoring and Reporting Branch)
22. **Great Lakes Reconnaissance Surveys: Lake Erie Harbours Water and Sediment Quality** Commissioned by: MOE (MOE 2001)
23. **MOE's Fish Contaminant Monitoring Program** Commissioned by: MNR
24. **Sediment Quality in Canadian Lake Erie Tributaries: A Screening-Level Survey** Commissioned by: Environment Canada (Dove *et al.* 2002)

Source Protection/Drinking Water

25. **Executive Summary Report on Sediment Accumulation in the Elgin Area Water Treatment Plant Intake Pipe: Monitoring of New Sediment Accumulation** Commissioned by: OCWA (PSC Analytical Services, 2004)
26. **Intake Assessments for Lake Huron & Elgin Area Primary Water Supply Systems** Commissioned by: Elgin Area Water Supply System (Stantec, 2007)
27. **Elgin Area Water Treatment Plant Intake Protection Zone Study & Vulnerability Assessment** Commissioned by: Elgin Area Water Supply System (Stantec, 2007)
28. **Elgin Area Primary Water Supply System, Source Protection Technical Study, Draft Phase 2 Report** Commissioned by: Elgin Area Water Supply System (Stantec, 2008)
29. **Proposed Terms of Reference – Work Plan for the Development of the Assessment Report and Source Protection Plan** Commissioned by: Lake Erie Region Source Protection Committee (Lake Erie Region Source Protection Committee, 2008)
30. **KCCA (Draft) Watershed Characterization Report** Commissioned by: Source Protection Team (Lake Erie Source Protection Team, 2008)

Contaminated Sites

31. **Bioremediation of Oil Tar Contaminated Soils, Operations and Monitoring Report, February 1999 to January 2000** Commissioned by: Ultramar Canada Ltd (CRA, November 2000)
32. **2007 Annual Monitoring Report, Final Report** Commissioned by: Ultramar Ltd. (Terrapex Environmental Ltd, April 11 2008)
33. **Summary Final Report Former Shamrock Chemicals Site Remediation, Port Stanley, Ontario**, Commissioned by: MOEE - Mary Gardner (Ontario Ministry of Environment and Energy District Office, August 1996)
34. **Groundwater and Surface Water Monitoring Results at the Former Shamrock Chemicals Site Port Stanley Ontario, Results of November 1998, July 1999, June 2000 and April 2001 Sampling Events**, Commissioned by: Ontario Ministry of the Environment (MOEE -Blagy Novakovic, November 2001)
35. **Soils and Groundwater Evaluation Ultramar Canada Inc., Catherine Street Property Village of Port Stanley**, Commissioned by: MOE (Wilson Associates Consulting Hydrogeologists and Engineers, September 13, 1988)
36. **Application for Certificate of Approval (Waste Disposal Site), Ultramar Canada Inc., 324-334 Catherine Street, Port Stanley Ontario**, Commissioned by: Ultramar Canada (Conestoga-Rovers & Associates, November 1997)
